

UVAC Class Descriptions

ALL LEVELS WELCOME

Boot Camp
A high intensity full body workout that combines strength training and agility exercises, often inspired by military training

Cardio Kickboxing
Cardio-focused with conditioning intervals, encompassing movements from multiple martial arts including karate, Muay Thai and Taekwondo.

Circuit Training
55 minutes of full body resistance training using balls, weights, body bars, bands and intense circuits for a total body workout in a group setting.

Dance Fusion
This class is nonstop dancing blending Zumba routines and original choreography with a focus on movement and musicality. Get ready to have more fun than you ever thought in this full-body, get-your-groove-on, workout. Dance Fusion is perfect for anyone wanting to take their Zumba moves to the next level.

Dance Skills
Strengthen and stretch your body while learning foundational dance skills such as turns, kicks, and leaps. Suitable for all skill levels, from complete beginners to advanced dancers!

Early Riser Strength
A strength class that works the whole body. Use free weights, bands, balls, as well as body weight exercises. Participate in non-stop strength building exercises that will increase muscular endurance and get you ready to embrace your day!

Essential Conditioning - Intermediate Levels
A whole body workout designed to target all main muscle groups to improve overall strength and mobility. This course uses a circuit structure that includes agility, Resistance, and a variety of equipment,

Full-Body Strength
High reps, low weights is the name of the game. In this class, we will target all the major muscle groups and work to fatigue, challenging your muscular endurance while increasing strength. All levels welcome!

Kettlebell Strength
A resistance training-based group class focused on improving and maintaining strength and muscle development using primarily kettlebells for a wide variety of movements, but other implements such as dumbbells and resistance bands will be utilized for variety and a well-rounded program.

Low-Impact Circuit Training
A total body conditioning class that incorporated weights, bands, TRX, and balls through various circuits. The class is high intensity, but low impact on the joints, making it great for all ages and abilities.

Pilates Circuit
A dynamic and efficient workout where participants rotate through a series of Pilates exercises on different apparatus or equipment.

Power Hour
A challenging small group-based circuit style class with timed work and rest periods. You'll be performing various strength and conditioning exercises at a fast pace using dumbbells, kettle balls, TRX, and your own body weight.

Strength Combo
A class that blends strength training with low-intensity cardio exercises. Focuses on improving overall endurance, muscle tone, and mobility through controlled, full-body movements. Ideal for those looking to build strength while keeping the heart rate gently elevated.

Senior Strength
A class that focuses on improving physical strength, flexibility and balance for older adults.

TRX
A unique strength building exercise using straps and your own body weight to build cardiovascular health, stamina, core stability and improve posture and balance. This training style WILL provide every tool you need to reach your goals. Fourteen spots available per class.

Zumba
Focuses on Latin movements with added cardiovascular drills. An hour long class that gets your body moving to the beat and working up a sweat! Each instructor adds their own style.

Group Cycling
A high-energy, fat-burning, indoor cycling workout. No matter what your fitness level, you'll burn calories and have fun! Great music, camaraderie and visualization in a complete mind/body exercise program for unparalleled fitness results. You can burn an average of 500 calories in a 40-minute class!

AquaSPA
This is not your regular SPA. In this class it means Speed, Power, and Agility! Bring your energy to this power-packed aqua class fused with plyometric movements and toning elements for your upper body, lower body, and core. Designed for all fitness levels.

Deep Water Variations
A deep pool, low-impact workout with a high impact on your cardiovascular system. Wear a flotation belt for support in the deep water or rely on your own ability to float as you perform deep water aerobic routines.

Deep Water Volleyball
A fun full body, deep water workout designed to improve strength and cardiovascular fitness using a safe yet challenging mix of water walking/running and volleyball.

Warm Water Essentials
Come join Sue learning the art of water tabata. Toning your muscles, straightening your alignment, working on core, balance, and strength all while having fun.

H2O To Go
This class is low stress on the joints and very beneficial for the body. Various movements are performed while using noodles and water weights to increase resistance and difficulty. The entire class takes place in the warm water pool. All levels.

Mahi in Water
Pilates mat and reformer exercises adapted to water. Learn the moves of Mahi Pilates easier without the fear of falling and less pain due to high range of motion in the water. Proper alignment, core support, and spine mobility are the main focus of the exercises.

Splash HIIT
A high intensity aqua class with exercises to increase strength and cardiovascular fitness. Being in the water makes all exercises have a low impact on the joints of the body and still receive all the benefits as if they were to be done on land.

HIIT the Water
Combining HIIT and ladder drills, burn calories and get stronger in this water workout that can be enjoyed in both deep water and shallow water.

Alternative Flow Yoga
Alternative yoga incorporates traditional yoga focused on postures and breathing, but has a Westernized twist. It adds something unique to the mix that will have an added benefit to the body, mind or both.

Beginner Slow Flow Yoga
Discover the world of yoga at your own pace with Beginner's Slow Flow Yoga class. This gentle introduction focuses on basic poses, mindfulness, breath work, and relaxation. Chairs available.

Gentle Yoga
Includes carefully orchestrated movements, controlled pressure, well-measured stretches, and range of motion exercises. Encourages a highly individualized approach to practice with on-going moment-to-moment adjustments. For those who want a softer, slow-paced, and relaxing practice.

Mat Pilates
Develop core strength, flexibility, balance, and stamina while you lengthen and strengthen your muscles with this highly effective low- impact workout!

Partner Yoga
This is a practice where two people connect through yoga poses, building trust, communication, and physical connection through shared movement and support.

Slow Flow Yoga
A slow paced class designed to rejuvenate and heal the body. Focus is on alignment, strength and flexibility.

Slow & Sacred Sundays
A slower-paced class that aligns with the natural rhythm of the morning, featuring deep stretches, longer holds, and mindful breathwork. Perfect for setting intentions and cultivating a sense of stability, balance, and readiness for the week ahead.

Stretch, Strength & Balance
Improving movement, stability, and flexibility through dynamic stretching, bodyweight/light resistance training, and balance drills, using mindful breathing. Reduce injury risk and enhance daily activity, leaving you feeling aligned, open, and strong. For all levels.

Vinyasa Yoga
Movements are synchronized with the breath while practicing traditional asana (poses) and sequences.

Yoga Strength and Balance
Strength and Balance are the key attributes for the physical and mental health of our body. The sequences will lead you through the wonderful practice in yoga to develop these qualities. Yoga props will be used to accommodate all participants.
