

UVAC Class Descriptions

ALL LEVELS WELCOME

Aqua Boot Camp

A low-impact, high-intensity, total body workout. It combines cardio, strength, and functional movement training using water resistance and equipment such as dumbbells and noodles. The class is a fun way to burn fat, improve endurance, and build muscle while being gentle on joints. All levels.

Boot Camp

A high intensity full body workout that combines strength training and agility exercises, often inspired by military training
Cardio Kickboxing
 Cardio-focused with conditioning intervals, encompassing movements from multiple martial arts including karate, Muay Thai and Taekwondo.

Circuit Training

55 minutes of full body resistance training using balls, weights, body bars, bands and intense circuits for a total body workout in a group setting.

Dance Fusion

This class is nonstop dancing blending Zumba routines and original choreography with a focus on movement and musicality. Get ready to have more fun than you ever thought in this full-body, get-your-groove-on, workout. Dance Fusion is perfect for anyone wanting to take their Zumba moves to the next level.

Dance Skills

Strengthen and stretch your body while learning foundational dance skills such as turns, kicks, and leaps. Suitable for all skill levels, from complete beginners to advanced dancers!

Early Riser Strength

A strength class that works the whole body. Use free weights, bands, balls, as well as body weight exercises. Participate in non-stop strength building exercises that will increase muscular endurance and get you ready to embrace your day!

Essential Conditioning - Intermediate Levels

A whole body workout designed to target all main muscle groups to improve overall strength and mobility. This course uses a circuit structure that includes agility, resistance, and a variety of equipment.

Full-Body Strength

High reps, low weights is the name of the game. In this class, we will target all the major muscle groups and work to fatigue, challenging your muscular endurance while increasing strength. All levels.

Kettlebell Strength

A resistance training-based group class focused on improving and maintaining strength and muscle development using primarily kettlebells for a wide variety of movements, but other implements such as dumbbells and resistance bands will be utilized for variety and a well-rounded program.

Low-Impact Circuit Training

A total body conditioning class that incorporated weights, bands, TRX, and balls through various circuits. The class is high intensity, but low impact on the joints, making it great for all ages and abilities.

Pilates Circuit

A dynamic and efficient workout where participants rotate through a series of Pilates exercises on different apparatus or equipment.

Power Hour

A challenging small group-based circuit style class with timed work and rest periods. You'll be performing various strength and conditioning exercises at a fast pace using dumbbells, kettle balls, TRX, and your own body weight.

Strength Combo

A class that blends strength training with low-intensity cardio exercises. Focuses on improving overall endurance, muscle tone, and mobility through controlled, full-body movements. Ideal for those looking to build strength while keeping the heart rate gently elevated.

Senior Strength

A class that focuses on improving physical strength, flexibility and balance for older adults.

TRX

A unique strength building exercise using straps and your own body weight to build cardiovascular health, stamina, core stability and improve posture and balance. This training style WILL provide every tool you need to reach your goals. 14 spots per class.

TRX Dance Fusion

The perfect blend of strength training using your own body weight for resistance & heart-pounding dance cardio. Alternating blocks of suspension training & original choreography combine to help build strength, balance, flexibility, core stability, and coordination to challenge your brain & body. Have more fun than you ever thought possible in this full-body, get-your-groove-on, workout! All levels.

Zumba

Focuses on Latin movements with added cardiovascular drills. An hour long class that gets your body moving to the beat and working up a sweat! Each instructor adds their own style.

Group Cycling

A high-energy, fat-burning, indoor cycling workout. No matter what your fitness level, you'll burn calories and have fun! Great music, camaraderie and visualization in a complete mind/body exercise program for unparalleled fitness results. You can burn an average of 500 calories in a 40-minute class!

AquaSPA

This is not your regular SPA. In this class it means Speed, Power, and Agility! Bring your energy to this power-packed aqua class fused with plyometric movements and toning elements for your upper body, lower body, and core. All levels.

Deep Water Variations

A deep pool, low-impact workout with a high impact on your cardiovascular system. Wear a flotation belt for support in the deep water or rely on your own ability to float as you perform deep water aerobic routines.

Deep Water Volleyball

A fun full body, deep water workout designed to improve strength and cardiovascular fitness using a safe yet challenging mix of water walking/running and volleyball.

Warm Water Essentials

Come join Sue learning the art of water tabata. Toning your muscles, straightening your alignment, working on core, balance, and strength all while having fun.

H2O To Go

This class is low stress on the joints and very beneficial for the body. Various movements are performed while using noodles and water weights to increase resistance and difficulty. The entire class takes place in the warm water pool. All levels.

Mahi in Water

Pilates mat and reformer exercises adapted to water. Learn the moves of Mahi Pilates easier without the fear of falling and less pain due to high range of motion in the water. Proper alignment, core support, and spine mobility are the main focus of the exercises.

Splash HIIT

A high intensity aqua class with exercises to increase strength and cardiovascular fitness. Being in the water makes all exercises have a low impact on the joints of the body and still receive all the benefits as if they were to be done on land.

HIIT the Water

Combining HIIT and ladder drills, burn calories and get stronger in this water workout that can be enjoyed in both deep water and shallow water.

Alternative Flow Yoga

Alternative yoga incorporates traditional yoga focused on postures and breathing, but has a Westernized twist. It adds something unique to the mix that will have an added benefit to the body, mind or both.

Beginner Slow Flow Yoga

Discover the world of yoga at your own pace with Beginner's Slow Flow Yoga class. This gentle introduction focuses on basic poses, mindfulness, breath work, and relaxation. Chairs available.

Gentle Yoga

Includes carefully orchestrated movements, controlled pressure, well-measured stretches, and range of motion exercises. Encourages a highly individualized approach to practice with on-going moment-to-moment adjustments. For those who want a softer, slow-paced, and relaxing practice.

Mat Pilates

Develop core strength, flexibility, balance, and stamina while you lengthen and strengthen your muscles with this highly effective low- impact workout!

Partner Yoga

This is a practice where two people connect through yoga poses, building trust, communication, and physical connection through shared movement and support.

Slow Flow Yoga

A slow paced class designed to rejuvenate and heal the body. Focus is on alignment, strength and flexibility.

Slow & Sacred Sundays

A slower-paced class that aligns with the natural rhythm of the morning, featuring deep stretches, longer holds, and mindful breathwork. Perfect for setting intentions and cultivating a sense of stability, balance, and readiness for the week ahead.

Sound Experience

Experience a restorative 90-minute sound experience designed to soothe the mind, body & spirit. Join us on Sundays from 1:00-2:30 p.m. for a journey of relaxation and renewal.

LAND BASED CLASSES **CYCLING**
AQUATIC CLASSES **MIND BODY CLASSES**
PAID PROGRAMS
