PAID PROGRAMS

ALL LEVELS WELCOME

Boot Camp
A high intensity full body workout that combines strength training and agility exercises, often inspired by military training.

Cardio Kickboxing
Cardio-focused with conditioning intervals, encompassing movements from multiple martial arts including karate, Muay Thai and Taekwondo.

Circuit Training
Full body resistance training using balls, weights, body bars, bands and intense circuits for a total body workout in a group setting.

Dance Fusion
Strengthen and stretch your body while learning foundational dance skills such as turns, kicks, and leaps. Suitable for all skill levels, from complete beginners to advanced dancers!

Early Riser Strength
A strength class that works the whole body. Use free weights, bands, balls, as well as body weight exercises. Participate in non-stop strength building exercises that will increase muscular endurance and get you ready to embrace your day!

Essential Conditioning - Intermediate Levels
A whole body workout designed to target all main muscle groups to improve overall strength and mobility. This course uses a circuit structure that includes agility, resistance, and a variety of equipment.

Full-Body Strength
High reps, low weights is the name of the game. In this class, we will target all the major muscle groups and work to fatigue, challenging your muscular endurance while increasing strength.

Functional Strength
A blend of high-intensity performance with mobility and strength. The class transitions from mobility to power, followed by strength using TRX and kettlebells, and concludes with conditioning and yoga-based recovery.

Kettlebell Strength
A resistance training-based group class focused on improving and maintaining strength and muscle development using primarily kettlebells for a wide variety of movements, but other implements such as dumbbells and resistance bands will be utilized for variety and a well-rounded program.

Low-Impact Circuit Training
A total body conditioning class that incorporated weights, bands, TRX, and balls through various circuits. The class is high intensity, but low impact on the joints, making it great for all ages and abilities.

Power Hour
A challenging small group-based circuit style class with timed work and rest periods. You'll be performing various strength and conditioning exercises at a fast pace using dumbbells, kettle balls, TRX, and your own body weight.

Sculpt and Strengthen
A dynamic, full-body fitness class that blends targeted resistance training, core conditioning, and low-impact cardiovascular intervals to tone muscles and boost physical endurance.

Senior Strength
A class that focuses on improving physical strength, flexibility and balance for older adults.

Strength ABC
An upbeat, all-levels strength class designed to build power and confidence through focused training for Arms, Booty, and Core. Using a mix of equipment like dumbbells, kettlebells, mini-bands, and bodyweight you'll target the major muscle groups of the arms, glutes, and core in a fun, energizing format that meets you exactly where you are, whether you re brand new or a seasoned athlete.

TRX
A unique strength building exercise using straps and your own body weight to build cardiovascular health, stamina, core stability and improve posture and balance. This training style WILL provide every tool you need to reach your goals. 14 spots per class.

TRX Dance Fusion
The perfect blend of strength training using your own body weight for resistance & heart-pounding dance cardio. Alternating blocks of suspension training & original choreography combine to help build strength, balance, flexibility, core stability, and coordination to challenge your brain & body. Have more fun than you thought possible in this full-body, get-your-groove-on, workout!

Zumba
Focuses on Latin movements with added cardiovascular drills. An hour long class that gets your body moving to the beat and working up a sweat! Each instructor adds their own style.

Group Cycling
A high-energy, fat-burning, indoor cycling workout. No matter what your fitness level, you'll burn calories and have fun! Great music, camaraderie and visualization in a complete mind/body exercise program for unparalleled fitness results.

Aqua Boot Camp
A low-impact, high-intensity, total body workout. It combines cardio, strength, and functional movement training using water resistance and equipment such as dumbbells and noodles. The class is a fun way to burn fat, improve endurance, and build muscle while being gentle on joints.

AquaSPA
This is not your regular SPA. In this class it means Speed, Power, and Agility! Bring your energy to this power-packed aqua class fused with plyometric movements and toning elements for your upper body, lower body, and core.

Deep Water Variations
A deep pool, low-impact workout with a high impact on your cardiovascular system. Wear a flotation belt for support in the deep water or rely on your own ability to float as you perform deep water aerobic routines.

Deep Water Volleyball
A fun full body, deep water workout designed to improve strength and cardiovascular fitness using a safe yet challenging mix of water walking/running and volleyball.

H2O To Go
This class is low stress on the joints and very beneficial for the body. Various movements are performed while using noodles and water weights to increase resistance and difficulty. The entire class takes place in the warm water pool.

Mahi Pilates
Mahi Pilates uses traditional land Pilates exercises adapted in the water while maintaining the same emphasis on core strength, spinal mobility, alignment, precision, and flow. The support of the water reduces the impact of the body weight and the risk of falling, making the exercises safe, accessible, and effective for all.

Splash HIIT
A high intensity aqua class with exercises to increase strength and cardiovascular fitness. Being in the water makes all exercises have a low impact on the joints of the body and still receive all the benefits as if they were to be done on land.

Warm Water Essentials
Come learn the art of water tabata. Toning your muscles, straightening your alignment, working on core, balance, and strength all while having fun.

Alternative Flow Yoga
Alternative yoga incorporates traditional yoga focused on postures and breathing, but has a Westernized twist. It adds something unique to the mix that will have an added benefit to the body, mind or both.

Breath & Stillness
A gentle, restorative space to slow down and reconnect through breath & meditation. Engaging in breath awareness, breathwork practice, and stillness, participants will calm the nervous system and leave feeling more grounded, relaxed, and present.

Gentle Yoga
Includes carefully orchestrated movements, controlled pressure, well-measured stretches, and range of motion exercises. Encourages a highly individualized approach to practice with on-going moment-to-moment adjustments. For those who want a softer, slow-paced, and relaxing practice.

Mat Pilates
Develop core strength, flexibility, balance, and stamina while you lengthen and strengthen your muscles with this highly effective low-impact workout!

Partner Yoga
This is a practice where two people connect through yoga poses, building trust, communication, and physical connection through shared movement and support.

Power Flow Yoga
This is a fast-paced style of yoga that links breath with continuous, dynamic movement. It blends the fitness and strength-building elements of Ashtanga and Vinyasa, giving you a full-body workout.

Slow Flow Yoga
A slow paced class designed to rejuvenate and heal the body. Focus is on alignment, strength and flexibility.

Sound Experience
Experience a 90-minute immersion in sound, designed to bring you into present-moment awareness. We invite you to press pause on your daily routine, connect with your curiosity, and embark on an inner journey.

Stretch, Strength & Balance
Improving movement, stability, and flexibility through dynamic stretching, bodyweight/light resistance training, and balance drills, using mindful breathing. Reduce injury risk and enhance daily activity, leaving you feeling aligned, open, and strong.

Vinyasa Yoga
Movements are synchronized with the breath while practicing traditional asana (poses) and sequences.

Yoga Strength and Balance
Strength and balance are the key attributes for the physical and mental health of our body. Sequences lead you through the wonderful practice in yoga to develop these qualities. Yoga props will be used to accommodate all participants.

Breast Cancer Survivorship
PALS for Life

A FREE safe and effective research-based Small Group Training Program for Breast Cancer Survivors following the University of Pennsylvania Physical Activity & Lymphedema Study protocol. PALS for Life welcomes anyone who has been affected by breast cancer. A doctor referral and consultation with a physical therapist is required to participate.

RISE
We're excited to share that Living Beyond Cancer has a new name: RISE (Recovery, Integrity, Strength, and Endurance). Our mission remains the same—to support breast cancer survivors with strength, community, and wellness.
