

UPPER VALLEY

AQUATIC
CENTER

BECOME A UVAC SPONSOR

Support Community Safety, Wellness, and Access For All.

The Upper Valley Aquatic Center (UVAC) is a nonprofit that has served the Upper Valley since 2009, providing swim instruction, fitness, rehabilitation, and recreation for thousands each year. Our mission is to deliver high-quality aquatic and fitness programs that are accessible to people of all ages, abilities, and incomes.

Your sponsorship directly supports UVAC's Financial Aid Fund, helping remove financial barriers to swim lessons, youth camps, adaptive programs, and memberships. These programs ensure children learn lifesaving swim skills, individuals of all abilities receive inclusive instruction, and families can access wellness.

Why it matters: Drowning is one of the leading causes of death for children under 14, and too many families lack access to swim instruction. UVAC's goal is urgent and simple: ensure every child has the opportunity to learn this lifesaving skill, regardless of income.

By becoming a UVAC sponsor, your business aligns with a trusted nonprofit committed to safety, equity, and community well-being while gaining meaningful visibility with thousands of visitors each week.

Make an Impact, Become a Sponsor Today!
